## STYLE, FUNCTION & DESIGN EXPERTS

While deciding on your privacy screening & windbreaks, it's important to look at your yard and think about your style. With the many styles of privacy screens & windbreaks, consulting a specialist will allow for you to choose the right style not just for its aesthetic purpose, but because of its functionality as well. Our experts know how to install your privacy screens & windbreaks with confidence that they will serve their intended purpose.

## PRIVACY SCREENS & WINDBREAK

Privacy screens & windbreaks allow for a higher level of comfort in your yard. Enjoy a nice night in the hot tub without worrying about people around you. As well, windbreaks put an end to brisk breezes, letting your oasis remain safe from the intrusion of wind.

## BENEFITING YOUR LIFESTYLE

No more nosy neighbors, and no more worrying about being in the hot tub in your favorite bikini. Privacy screens & windbreaks allow for more comfortable conversation, and entertaining. It's your sanctuary and now you can do what you want in it knowing it's a secure and private space.

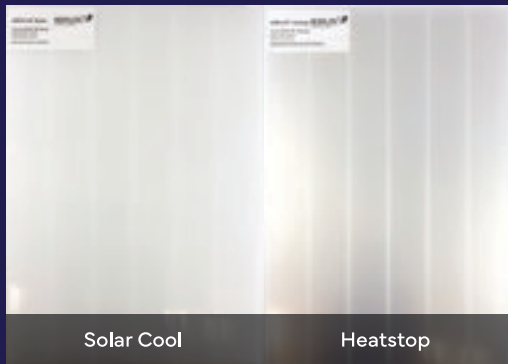

# PRIVACY SCREENS & WINDBREAK

Home ownership comes with a large number of choices to be made. Whether you have a home with a large or small backyard, enclosing it is something to think about. Depending on zoning regulations in your area, most backyards are allowed fencing, privacy screens and windbreaks. In fact, zoning committee experts in the North America, estimate that between 80 and 90% of the applications they receive are for outdoor fences, privacy screens & windbreaks. But what are the advantages of installing a privacy screen/windbreak?

## AVAILABLE ACRYLIC COLORS

## SHELTER

The elements can wreak havoc on your yard and home. An outdoor privacy screen will protect your garden and backyard from the wind while also providing shade from the sun (depending on the positioning of the Privacy Screen/Windbreak and your home).

## DECORATION

A well-kept privacy wall, instantly adds character to a home. Wooden fences need to be stained and painted, Sunspace products are maintenance free, adding a hint of style to your backyard. Aside from the aesthetic appeal, a privacy screen/windbreak, will improve the curb appeal of your home. You can also expect a 65% return on investment.

## MAINTENANCE

As a homeowner, you already have plenty of chores and home improvement projects that need to be taken care of. An aluminum privacy screen/windbreak is maintenance free.

## PROTECTION

While the elements can present a real issue, unwanted guests on your property are a much more serious problem. With a privacy screen/windbreak, your home is protected from unwanted guests entering your property without your permission.

## NOISE

Do you have noisy neighbors? Is there constantly construction going on in your neighborhood? A privacy screen/windbreak can help that. It acts as a sound barrier, keeping unwanted noise out of your yard, ideal for when you are relaxing outside.
