

Sunspace Pergolas are designed as a patio cover for your backyard retreat. Our aluminum louvered roof can be mounted directly to your home and or free standing applications. This system is constructed to withstand weather conditions. Resistance to UV, corrosion & scratches under normal use. High load bearing capacity being 100% 6063-T5 aluminum.

Coverage of Warranty: Our obligation under this warranty shall be limited to repair or replacement of any component part found, manufactured by Sunspace, to be defective within the applicable periods described above. Should repair or replacement of the defective component parts be prohibitively costly, the manufacturer may instead provide a refund of the purchase price of the claimed product. This warranty does not apply to any product damaged or determined to be defective as a result of improper handling, operation, maintenance or cause and effect due to site conditions or work by others.

Limitations of Warranty: Sunspace is not responsible for indirect, punitive, special, incidental or consequential damages or losses the consumer may suffer or incur in connection with this product or its use.

Claims Procedure: If a warranty claim should become necessary, send the defective part (if practical to do so) or request an inspection by the installation contractor. If found to be defective a new replacement part will be supplied to you at no charge (freight collect).
