

Over 30 years of creating rooms meant to enjoy the sunshine, there is a certain irony in creating a product intended to control it. At Sunspace we know that sunroom owners enjoy their indoor/outdoor family spaces and sometimes want the added comfort and privacy of adjustable shade. So we came up with a solution.

Like "Sunglasses" for your windows, Sunshades are custom fit to your sunroom, block harmful U.V. rays and unwanted light. These are ideal for media rooms, studies or any sun-facing room where sun or glare control is desired.
